

High Brooms residents' parking zone survey

In 2002, the Borough Council sent all residents of the High Brooms area a questionnaire about a possible residents' parking zone. Overall, less than half of the questionnaires were returned and although residents of some roads supported a residents' parking zone, a similar number opposed a zone. In fact there were only two roads where more than half the residents supported a residents' parking zone. Because of this it has been decided that another survey is needed but this time the question will be limited to - do you want a residents' parking zone?

This time you have only two choices: vote **YES**, if you want a zone or vote **NO** if you do not want a zone.

IF YOU DO NOT RETURN THIS FORM, WE WILL ASSUME THAT YOU DO NOT WANT A ZONE

To help you decide how to vote, here are a few points, good and bad, to consider.

- Commuter parking will get worse, not better, and there'll be more residents' cars in future
- A zone will make parking far easier but will push commuters into roads further from the station
- Only two residents' permits per household and each permit is for one specific vehicle only
- Permits can also be bought for visitors but we charge for both resident and visitor permits
- A permit does not guarantee you a parking space and definitely not one outside your house
- Even if you do not have a car, parking by commuters may affect your visitors.

Please put a cross in the appropriate box below and return this entire form to the Town Hall in the enclosed reply paid envelope to arrive by 28th January 2005 at the latest.

Please do not write any other comments on this form.

Thank you for completing and returning this form, the results will be published in February 2005.

Please note that because of the impending reorganisation of the management of highways in Kent, we cannot guarantee that a zone will be introduced but IF you clearly want one, we will do our utmost to ensure that you get one.

Q1 Would you like a residents' parking zone?

YES, I/We want a residents' parking zone

NO, I/We do not want a residents' parking zone

Q2 To ensure your vote counts, please provide the following information.

Your name

Your house number

Your road name.....
