

**Southborough Conservation Area Enhancements**

We would be grateful if you would complete this short questionnaire, to comment on the proposals for Southborough and to put forward views and suggestions of your own. The Borough Council will then use the results of this consultation to develop the enhancement proposals.

The plans and pictures on the exhibition boards give details of possible enhancements. Please note that all proposals are subject to the Borough Council's approval and agreements with third parties and owners.

**Q1** From the list of fifteen options, please indicate **THREE** proposals you feel are most beneficial to Southborough, with **1** being the most beneficial and **3** the least.

Enhance the parade frontage area, e.g. new seating, tress, planting, cycle parking and pedestrian barrier.....	<input style="width: 100%; height: 100%;" type="text"/>
